Notes regarding the Data

You should note that, consistent with the requirements of Rule 606, the statistics above may capture only a portion of the Firm's order flow. This report is intended only to provide an overview of the Firm's order routing practices. Accordingly, the data is not a reliable basis upon which to assess whether the Firm or any trading venue to which the Firm routes orders has satisfied its best execution obligation.

Further, while we have taken care in preparing the data presented in this report, the data has not been audited and may contain errors. Any decision about whether to open an account or direct orders to the Firm should not be based solely on the information presented in this report, but on a broader evaluation of the full range of services and products we offer.
